

Bath Central School District COPPA Compliance Consent Form

The Bath Central School District is committed to providing our students with the most effective, educational web-based tools and applications. These tools and applications may include, but are not limited to, BrainPop, ABCMouse, Khan Academy, MobyMax, ClassDojo, and others. In order to create accounts for our students, we must comply with federal regulations requiring parental consent as outlined below.

Our district utilizes several web-based sites and apps that are operated by third party services. In order for our students to utilize these programs and services, basic student information must be provided to the third parties. Under the *Children's Online Privacy*

Protection Act (COPPA), these web-based tools and applications must notify parents and obtain verifiable parental consent before collecting this information from children under 13 years of age. In addition, under this law, schools are permitted to consent to the collection of this information on behalf of its students. This eliminates the need for individual parental consent given directly to each website or app provider. For additional information regarding COPPA, please visit: www.ftc.gov/privacy/coppafaqs.shtml.

This form will constitute for verifiable parental consent for our schools to provide personal identifying information for your child that may consist of first name, last name, username, birthdate, and, if applicable, email address in order to create accounts on third party websites and apps. A complete list of the district APPROVED websites and apps* and links to their privacy policies can be found on our district website www.bathcsd.org, under District > Data Security and Privacy > Data Security and Privacy Inventory. If you have questions regarding which third-party apps or websites will be utilized during the current school year, please contact your student's teacher(s).

*District APPROVED websites and apps have been reviewed and are compliant with NYS Ed Law 2D.

Student Name (Print) _____
